

If you want to really communicate to the hugely distracted, heavily diluted, undisciplined decadent youth in this world, use as little words as possible.

## Conviction (courage)

- I am the Leader everyone has been waiting for

- Ask. Believe. Receive.

- If you don't believe yourself, even God can't help you - Vivekananda

## Discipline (focus, Concentration)

- show me some discipline, motherfucker

- show me your shiny Gold Medal

## Passion (Curiosity, Commitment)

- show me some passion, motherfucker

- tell me you beat my Code complexity challenge (Karumanchi)

## Creativity (flow, fail fast)

- show me your iMINT portfolio, motherfucker

- tell me your won the Innocentive Challenge or

- Solved a real problem in a real situation

- tackling progressively difficult challenges (Flow, Fail Fast)

## Peace (faith, character)

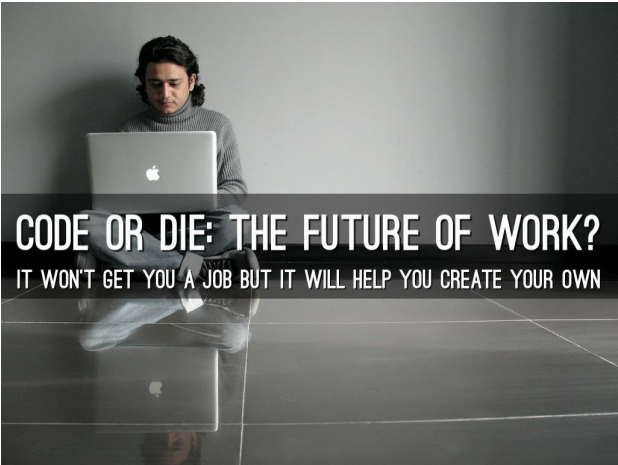

What does your inner soul really desire (<http://goo.gl/QK9Knn>) ? Have you really tried listening to it? Why not?

- Show me your compassion, God
