

Transforming through Goal Orientation

The most powerful answer to KITE's CMQ

- Become **Intense** about something!
 - intense about information (inquiry), or innovation or inspiration or inclusiveness!
 - Become intensely involved to become insanely great!
 - learn this while you are, and before you leave KITE
- **Gold medal** (amass information through inquiry)
- **Hacker** (amass innovation through projects)
- **Ideator** (amass inspiration through voice/blogs/communication)
- **ChangeMaker** (amass inclusiveness through service, compassion campaigns)
- **Entrepreneur/CareerChaser/Scientist/HE_Learner**
 - (some combination of all of the above)

Choose one, and choose well

- What gets your juices going? Sleep on it!
- What do your friends want you to do?
 - but do find like-minded guys to jointly do things
 - Have fun pursuing meaningful things, not movie watching!
- What do your parents want you to do?

Can I can change my mind, midway?

- Preferably, no.
 - But the earlier you commit, the better the success
 - But choose one of the above and be intense about it right away!
