

If you want to really communicate to the hugely distracted, heavily diluted, undisciplined decadent youth in this world, use as little words as possible.

Conviction (courage)

- I am the Leader everyone has been waiting for
- Ask. Believe. Receive.
- If you don't believe yourself, even God can't help you - Vivekananda

Discipline (focus, Concentration)

- show me some discipline, motherfucker
- show me your shiny Gold Medal

Passion (Curiosity, Commitment)

- show me some passion, motherfucker
- tell me you beat my Code complexity challenge (Karumanchi)

Creativity (flow, fail fast)

- show me your iMINT portfolio, motherfucker
- tell me your won the Innocentive Challenge or
- Solved a real problem in a real situation
- tackling progressively difficult challenges (Flow, Fail Fast)

Peace (faith, character)

What does your inner soul really desire (<http://goo.gl/QK9Knv>)? Have you really tried listening to it? Why not?

- Show me your compassion, God
- 4am is the time to talk to God, who is in love with you

Code or Die (<http://learnoutlive.com/code-or-die-the-future-of-work/>)
