The trouble is, you think you have time.

**Time**

A surreal landscape under a dark, cloudy sky. Numerous clock faces of various sizes are mounted on thin black poles, scattered across a cracked, barren ground. In the center foreground, a man in a dark suit stands with his back to the viewer, looking towards the clocks. The word "Time" is superimposed in large, white, bold letters over the center of the image.

Fail fast and cheap.

that doesn't kill you.
